

Congratulations
WINNERS

Category 2 (December 2025)

"D.E.S.I.G.N. for BioE3"
Challenge

The D.E.S.I.G.N for BioE3 Challenge continues to inspire young innovators across Bharat to design breakthrough solutions that strengthen our circular, clean and sustainable Bio Economy. The December 2025 cycle received an enthusiastic response from citizen's nationwide, showcasing remarkable creativity, scientific understanding and a strong commitment to solving real-world challenges.

We are pleased to announce that the results for Category 2 (December 2025) of the D.E.S.I.G.N for BioE3 Challenge have now been declared.

Top 10 Winners/Team Lead (December 2025 cycle) will receive "1 Lakh Cash Prize" & encouraged to submit a full proposal to BIRAC within 3 months for a Research, Development & Innovation (RDI) grant of upto Rs. 25 Lakhs for to convert 'Design Idea' to 'Proof of Concept'.

1. Patel Aditya Vipulbhai, Patel Dhara Nimeshbhai, Prachi Pandit, Sreekarthik Mudam, Vaishnavi Piyush Kumar Mehta, **(PG Students), Charotar University of Science and Technology, Gujarat**
2. Shivam Singh, **(PG Students) College of Pharmacy, JSS University, Noida**
3. Apurba Das, **(Others) Handique Girls College**
4. Rashi Nagar, **(PhD Student) ICGEB**
5. Khalid Zaffar Masoodi, Shivani, **(Startup) Sher-e-Kashmir University of Agricultural Sciences and Technology of Kashmir, Srinagar, J&K**
6. Ravneet Kaur, Jayeeta Bhaumik, Scientist-E, **(Scientist) NABI**
7. Jagruti Wakpanjar, Ahanjit Bhattacharya, **(UG students) IISER Bhopal**
8. Dr Vishnu Sharma, Dr Jai Prakash, Dr Radhika Biyani Daga, Dr Smriti Tiwari, **Biyani BioSolutions Pvt Ltd (Venture Lab), Central University of Rajasthan and Biyani Girls College, Jaipur**
9. Prof. Sanjay Kapoor, Vibha Verma, **University of Delhi**
10. Sujithra P, Akanshanna MG, Haniskha M, Krithika J, Y Poojaasree, **(UG Students) SRM Institute of Science and Technology**

Congratulations to all the achievers whose ideas stood out for their innovation, clarity of thought and alignment with BioE3's vision for a healthier, sustainable Bharat.

We extend our heartfelt appreciation to every citizen who participated in the December 2025 cycle. Your effort, imagination and dedication truly reflect the future of India's biotech innovation landscape.

If you weren't selected this cycle, don't be discouraged. Each idea contributes to learning and growth, and we encourage you to continue exploring, innovating and participating in upcoming cycles.
